- In 2025/26 the PE Action Plan will measure progress in the following target areas:
- Increased participation in extracurricular/ inter school competitive sports to kick-start healthy lifestyles.
- All PE lessons are fully resourced to achieve the highest attainment levels for all children.
- Increased leadership opportunities for pupils throughout the school.
- Increased confidence, knowledge and skills of all staff in the teaching of PE and Sport.
- Develop sustainable high-quality PE lessons throughout the school.
- Increased access for all children to active play equipment and the development of more structured play.
- Particular emphasis on providing Foundation Stage with greater opportunities for developmental child-initiated activities.
- Increased diversity of after school clubs to raise school participation levels to at least 60%
- To provide a broader experience in a range of sports and activities to all pupils.
- Improved awareness of personal health and wellbeing within our school and community.
