

In English we will look at the basics of sentence writing to help us produce a recount and a narrative and also start to look at some forms of poetry.

We will have a strong focus on our handwriting this term to aid with our presentation.

In Maths, Year 2 will start their focus on place value. They will be identifying tens and ones in a number before moving on to compare two or more numbers.

In term 1, we will learn about the different parts of the Bible & hear the story of Noah. The focus of learning will be about 'God's Promise/ Covenant. In term 2 we will focus on the Holy Spirit during Jesus' infancy. By the end the children will be able to sequence & retell the complete infancy narrative.

RSE this term focuses on ourselves. We will discuss what makes us individual and why each of us are special in our own ways.

Year 2 Science topic is Animals Including Humans. We will talk about animals and their offspring and look at some life cycles of different animals. We will also discuss what is essential for all animals to survive and grow.

Our History topic this term will be looking at schools, specifically how schools were different in the past compared to now.

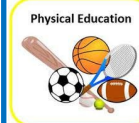

Curriculum Year 2 Autumn Newsletter

In computing, Year 2 will explore what a computer is by identifying different inputs and outputs and understanding how computers process information..

Phonics

Phonics is very important in Year 2 and we will continue to focus on the children's decoding and blending skills to assist in their reading and writing

In PE we will introducing the children to invasion games. Over the next two terms the children will practice their sending and receiving skills

Art

This term we will be looking at the basics of drawing and teaching the children to understand tone and texture.

In Music we are going to focus on pitch and tempo of songs using our voices and musical instruments.
