

In English we will look at the basics of sentence writing to help us produce a recount and a narrative and also start to look at some forms of poetry.

We will have a strong focus on our handwriting this term to aid with our presentation.

In Maths, Year 3 will start their focus on place value. They will be identifying hundreds, tens and ones in a number before moving on to compare and order two or more numbers.

In RE this term we will come to a deeper understanding of the account of Creation in Genesis 1:1-2:4 as the basis for care of themselves, others and the entire global community

We will also look at the significance of Harvest Festival and learn about our class saint.

RSE this term focuses on ourselves. We will discuss what makes us individual and why each of us are special in our own ways.

Year 2s Science topic is Animals Including Humans. We will talk be exploring the role of skeletons and muscles, learning how the body uses energy and what constitutes a balanced diet.

In History we will investigate life in prehistoric Britain by exploring the Stone, Bronze and Iron Ages and placing them within a wider historical timeline.

Curriculum Year 3 Autumn Newsletter

In computing, Year 2 will develop an understanding of computer networks by learning how devices communicate and share information.

Spanish

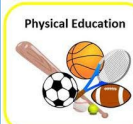

In Spanish we will be learning to greet people and making introductions.

There will be no Design and Technology this term. We will focus on this in term 2.

We will be developing our shading skills and drawing techniques to create botanical-inspired digital drawings

In PE we will be focusing on invasion games, using the skills of dribbling and travelling. We will also be working on footwork and handling skills.

In Music we are going to look at what music is and learn about musical notation.
